

Children have rights

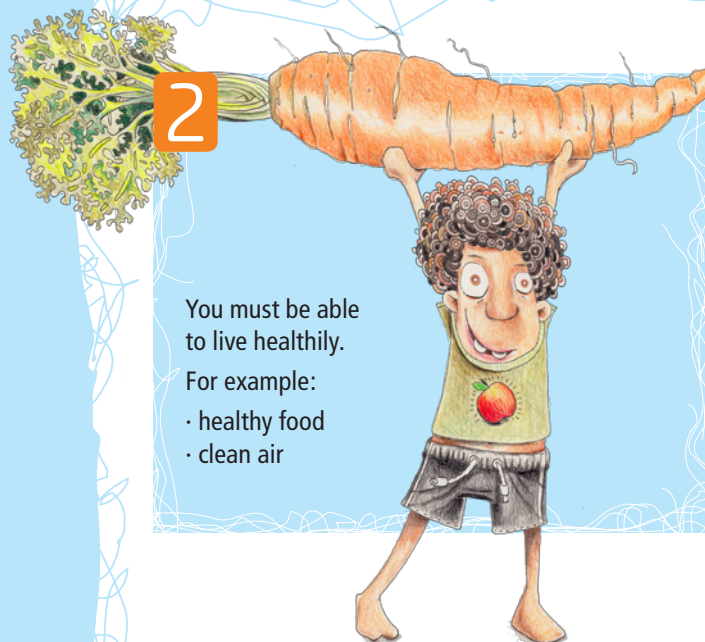

1

Adults must treat all children the same.
You should not be treated any differently to other children.

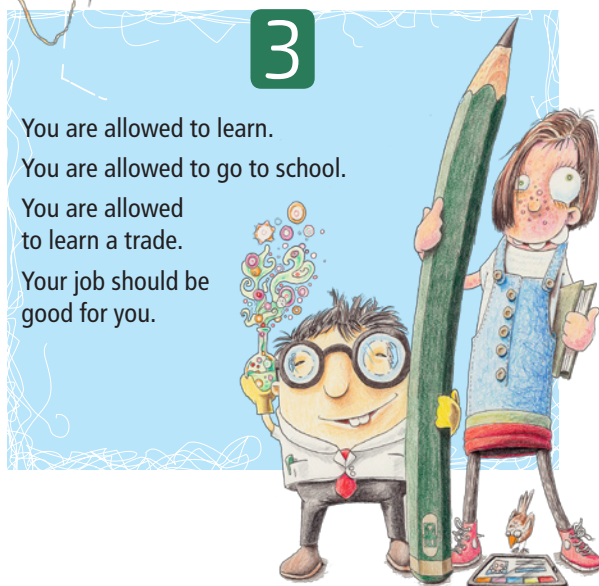

2

You must be able to live healthily.
For example:
• healthy food
• clean air

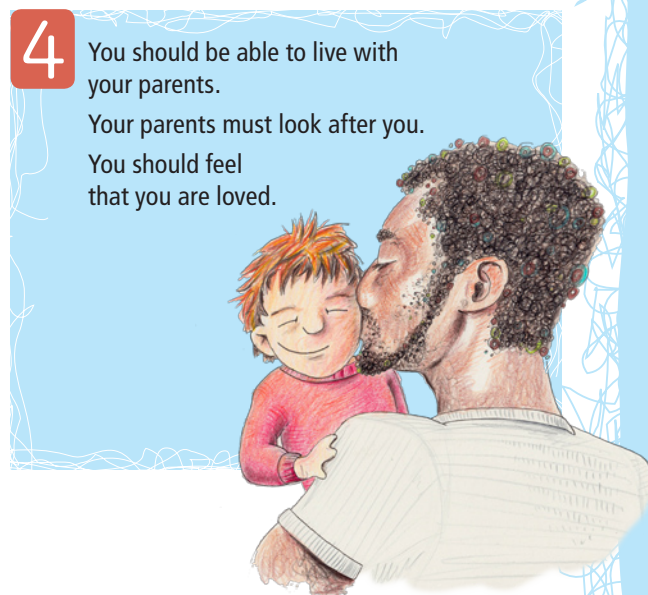

3

You are allowed to learn.
You are allowed to go to school.
You are allowed to learn a trade.
Your job should be good for you.

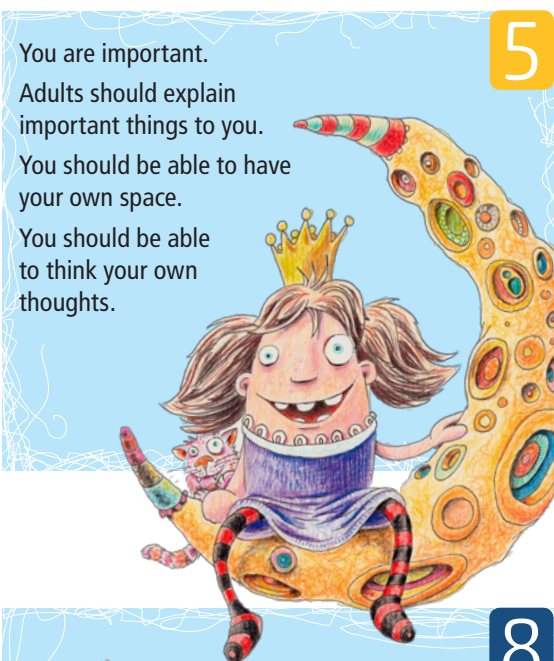

4

You should be able to live with your parents.
Your parents must look after you.
You should feel that you are loved.

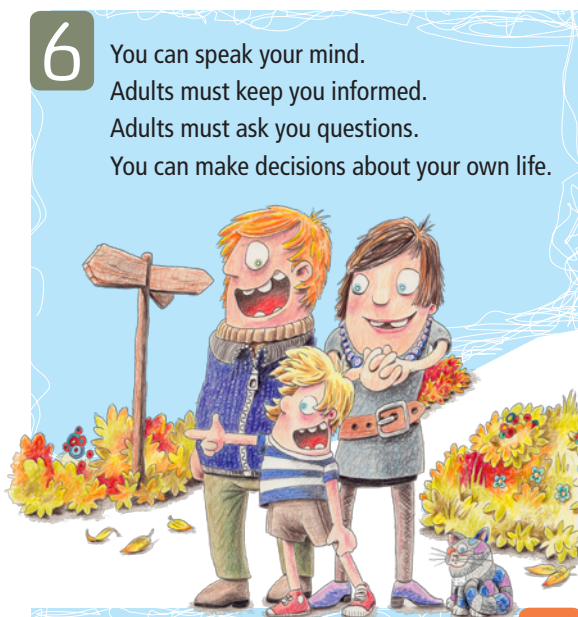

5

You are important.
Adults should explain important things to you.
You should be able to have your own space.
You should be able to think your own thoughts.

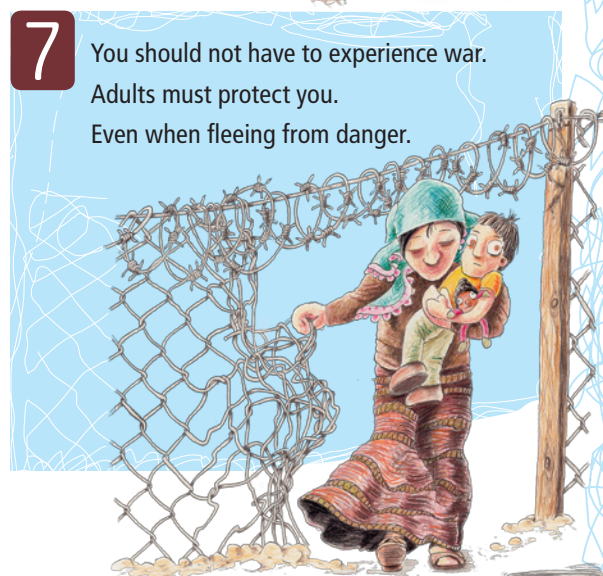

6

You can speak your mind.
Adults must keep you informed.
Adults must ask you questions.
You can make decisions about your own life.

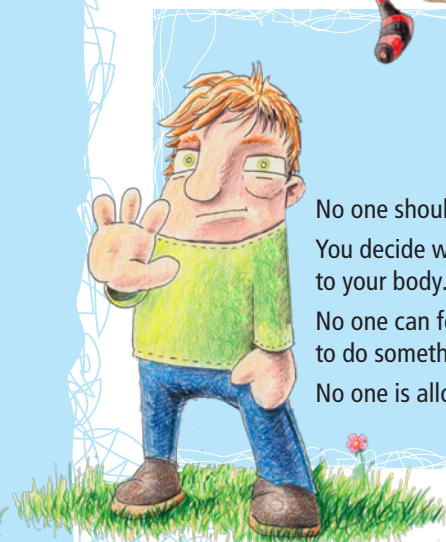

7

You should not have to experience war.
Adults must protect you.
Even when fleeing from danger.

8

No one should do you harm.
You decide what happens to your body.
No one can force you to do something.
No one is allowed to abuse you.

9

You must have free time.
You must be allowed to play.
You must be able to relax.
You must be able to be creative.

10

Do you have a disability?
You should be able to live like children without disabilities.
Adults must care for you.
You should get good support.
